

Linguaskill General Test

Study Materials, Links, and Sample Tests

Linguaskill is an online, test designed by Cambridge English Assessment to assess students' English proficiency Level. It is used as the main English assessment tool at Effat University since 16th December 2019. It is designed to test four language skills: Reading, Listening, Writing, and Speaking. Delivery Method: Computer-based Test

Here are some links to Study Materials and Sample Tests

Use these online sample tests to familiarize yourself with Linguaskill.

Note: The Reading and Listening sample test is not adaptive and is shorter than a real test. Sample tests do not provide a result or save your answers.

The Speaking sample test requires a headphone set and microphone.
