External Research Grants Policy

Effat University

EU Policy #: EU10002

UC Decision #: Exp#3/13.Dec.2016/2.6-10 (EU Policy No. EU10002)

Developed: 14 April 2009

Effective Date: 14 December 2016

Revised: 13 December 2016

Policy Statement

The purpose of External Research Grants Policy is to enable academics and researchers to apply to external funding sources in order to carry out a research project on a well-defined topic within a limited time period.

Scope

All Effat employees may apply for External Research Grants after obtaining the approval of the Research & Consultancy Institute.

Responsible Party:

Chairperson of the Research Grants Evaluation Committee (RGENC)

General

All university policies fall within a hierarchy of laws and rules. University policies are subject to compliance with bylaws and regulations instituted by higher governing authorities as follows:

- The Ministry of Higher Education
- The King Faisal Foundation
- Effat University Founders' Board
- Effat University Board of Trustees
- The University Charter and Bylaws
- The National Association for Accreditation and Academic Assessment (NCAAA)
- Effat University Policies and Procedures

Policies

I-Application & Evaluation

Researchers must obtain an approval from the Research & Consultancy Institute prior to applying to an external research funding source.

VII-Reporting Requirements

An interim report has to be submitted to the RCI on the progress of the research six months after the start of the project. A presentation has to be given regarding the research project to the Effat community nine months into the receipt of the grant award funding. A final report and budget has to be submitted to the RCI prior to the research completion date.
